## **CAREER DEVELOPMENT: 2021-22**

*This report provides a review of aggregate and specific employment data, as well as advanced degree information, for our 2021-2022 graduates. (For a review of Career Development activity and assessment information, see our corresponding Annual Report). The information is based on follow-up contacts from May 2022 through December 2022 through survey, email, telephone, and texting, as well as information obtained through faculty and staff. We reached 99% of our graduates, but obtained post-graduation information for 79%.*

*This included:*

- Communicating by email with all graduates who expressed need for job search assistance
- Contacting graduates who indicated that they were seeking employment, but did not specifically request assistance
- Contacting graduates who provided no post-graduation employment or graduate school information

### **BLANK ROWS IN MAJOR REPORTS**

Many of the rows for some majors are missing information. Career Development was either unable to contact those graduates, or the graduates did not respond to our emails and texts.

# FIRST DESTINATION AFTER GRADUATION

After completing our alumni follow-up contact, we compiled 6-month information on our traditional graduates. Our knowledge rate was 79%; we did not receive responses from 96 graduates.

- 78% were *employed in* career-related positions [**we call this “Employed”**]
- 16% were *accepted to* advanced or additional degree programs [**we call this “School”**]
- 5% were *not seeking employment* at this time
- 1% were *seeking employment*

(See details below, and graphs on page 4)
